Every three to four years Lancashire Fire and Rescue Service carries out an Emergency Cover Review (ECR), taking a close look at emergency cover we provide in terms of where our fire engines are situated and the way they are staffed.

We are presenting this draft Emergency Cover Review for consultation up until the 10th October 2017. The Combined Fire Authority Planning Committee will consider the outcome of consultation in November 2017 and it is anticipated that any decisions will be made by the Fire Authority at its meeting on the 27th November 2017. The draft includes information on how to make your views known. We welcome your comments.
