Dear Sirs

**LANCASHIRE COMBINED FIRE AUTHORITY
FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020**

This representation letter is provided in connection with the audit of the financial statements of Lancashire Combined Fire Authority for the year ended 31 March 2020 for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

- i. We have fulfilled our responsibilities for the preparation of the Authority's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the Authority and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Authority has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

- v. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements.
- vi. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- vii. Except as disclosed in the financial statements:
 - a. there are no unrecorded liabilities, actual or contingent
 - b. none of the assets of the Authority has been assigned, pledged or mortgaged
 - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- ix. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- x. We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xi. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xii. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiii. We have updated our going concern assessment and cashflow forecasts in light of the Covid-19 pandemic. We continue to believe that the Authority's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that current and future sources of funding or support will be more than adequate for the Authority's needs. We believe that no further disclosures relating to the

Authority's ability to continue as a going concern need to be made in the financial statements.

- xiv. The outbreak of the Novel Coronavirus (Covid-19), declared by the World Health Organisation as a "Global Pandemic" on 11 March 2020, has impacted global financial markets and travel restrictions have been implemented by many countries.

As a consequence, market activity is being impacted in many sectors. As at the valuation date, our independent valuers have stated that they consider that they can attach less weight to previous market evidence for comparison purposes, to inform opinions of value. Indeed, the current response to COVID-19 means that they are faced with an unprecedented set of circumstances on which to base a judgement.

The Authority's valuation of their Land and Buildings and their share of the Lancashire County Pension Fund's direct and indirect property investments are therefore reported on the basis of 'material valuation uncertainty' as per VPS 3 and VPGA 10 of the RICS Red Book Global. Consequently, less certainty – and a higher degree of caution – should be attached to the valuations of the Authority's land and building than would normally be the case. For avoidance of doubt, the inclusion of the 'material valuation uncertainty' declaration above does not mean that the valuation cannot be relied upon. It is included in order to be clear and transparent, that – in the current extraordinary circumstances – less certainty can be attached to the valuation than would otherwise be the case.

- xv. We consider our accounting for the backdating of pension contributions on day crew plus and other allowances as a prior period adjustment to be appropriate based on the information held by the Authority and legal advice received to date.
