Executive Summary

The Fire & Rescue National Framework for England (2018) sets out the Government's high level expectations, priorities and objectives for Fire and Rescue Authorities (FRA's) in England. Included within the framework is the requirement that all FRA's must provide assurance on financial, governance and operational matters.

The attached Annual Statement of Assurance (appendix 1) aims to provide the required accountability and transparency to our communities and the Government that Lancashire Fire and Rescue Service (LFRS) continues to deliver efficient, effective, value for money services.

This statement sits alongside our Community/Integrated Risk Management Plan (C/IRMP), Statement of Accounts, the Annual Governance Statement, the Annual Service Plan and Annual Service Report. It details what measures are in place to assure that the Combined Fire Authority's performance is efficient, economic and effective and provides further evidence that LFRS continues to deliver under the expectations detailed within both the National Framework and our own Risk Management Plan.

Recommendation

The Authority is asked to approve the Annual Statement of Assurance 2020-21 as presented and approve the signing of this by the Chairman of the Authority and the Chief Fire Officer.

Information

The attached Annual Statement of Assurance 2020-21 provides assurance in three core areas: -

- Financial Assurance.
- Assurance on Governance.
- Operational Assurance.

“The statement sets out how we demonstrate assurance in these areas, culminating in the following declaration: -

The Chairman of Lancashire Combined Fire Authority and Chief Fire Officer of Lancashire Fire and Rescue Service are satisfied that the Authority's financial, governance and operational assurance arrangements are adequate and operating effectively and meet the requirements detailed within the Fire and Rescue National Framework.”
