Executive Summary

This year's Annual Service Plan (ASP) continues to provide Lancashire Fire and Rescue Service (LFRS) with the platform to highlight the priority activities and projects the Service intends to deliver over the coming year. We are leading improvements and innovation in our sector with some of the best firefighting equipment in the country and a highly skilled and motivated workforce.

The year ahead will see us build on our achievements by staying focused on continuous improvement that makes the people of Lancashire safer, particularly the most vulnerable members of our communities. Many of our priorities are initiatives that will transform the way we work and bring lasting benefits.

This year's Annual Service Plan provides the direction and deliverables that have been identified to deliver against the strategic aims of our Community Risk Management Plan (CRMP) and supporting core strategies.

Recommendation(s)

The Planning Committee are asked to note and endorse the ASP for publication.

Information

The Annual Service Plan is a core part of our planning framework which sets out the activities we intend to deliver during the next 12 months and is built around the Service's five corporate priorities that are detailed in the Community Risk Management Plan. These are:

1. **Valuing** our people so they can focus on making Lancashire safer
2. **Preventing** fire and other emergencies from happening
3. **Protecting** people and property when fires happen
4. **Responding** to fire and other emergencies quickly and competently
5. **Delivering** value for money in how we use our resources

Role in the planning framework

The Annual Service Plan sits at the heart of our framework and informs activity that will be led across the Service, as well as locally within district plans. Activities that we plan

to deliver also inform our staff performance appraisal process, so all staff understand our plans and are involved in helping to deliver our key activities.

As in previous years, detailed under each corporate priority is a series of activities and projects with a brief description of each item to give further clarity and context. This ensures that all staff and the public are informed of the changes and activities the Service aims to progress and how these items fit within our priorities. This provides the opportunity for the Service to ensure that we continue to provide transparency and visibility of our plans in a clear and concise format. The governance arrangements for delivery of the Annual Service Plan items will continue to be monitored through the Service's Corporate Programme Board and Service Management Team.

As always, we aim to continually improve and refine our planning processes and this year's document aims to add focus on achievable progress within the year, acknowledging that a proportion of items are continued from the 2025/26 Plan, reflecting our commitment to a number of long-term projects. It is presented in a style to remain consistent with that of the CRMP 2022-27.
